Guardian

The Guardian

Once upon a time in a land far away stood the noble hound. Ever loyal to the King, Warrior, Knight & Lady... a venerable Guardian...greeting friend and warning foe.

At Leather Brothers, we've created a line of products dedicated to the faithful Guardian. Worthy of the dignity shown their ancestors, these genuine leather hand-crafted collars and leads dress your dog in majesty fit for a monarch.

Guardians are made in America using a variety of handhewn antique brass and nickel ornaments imported from Switzerland. Choose from Northern, Celtic or Lederhund ("Leather Hound") Collections.
